## Our Mission

*Bringing the hope of Christ  
and providing help to the  
new generation in  
Eastern Europe.*

Dear ministry friends,

It was a very busy summer for Hope International Ministries (HIM).

Because of your generous support, we had an opportunity to serve hundreds of people in six countries: Latvia, Lithuania, Poland, Romania, Moldova and Ukraine.

### IN LATVIA

HIM sponsored and served in an event for over 300 special needs orphans. Our volunteers worked hard to make that event possible.

### IN LITHUANIA

We had a one week camp for kids from Kaunas Children Center and Ukrainian refugees. When Katya (17) came to the camp, she was very fearful and she was not sure if she would fit in the program because of her shyness and trauma she received in the war zone in Ukraine. I found her crying outside the cabin complaining about herself. After counseling and praying, Katya started to participate with her group and we saw that she now enjoyed being at the camp.

## IN LITHUANIA *-continued-*

During the last day of the camp she came to me with a big smile on her face and told me that she had accepted Christ as her personal Savior and her life was changed. Praise God for Katya and for many other saved young lives.

## IN POLAND

We served in two refugee centers with about 130 kids in each one. Because of war in Ukraine, so many families are separated and mostly the mothers and their children are staying far away from their homes while their husbands and fathers are fighting for freedom.

## IN ROMANIA AND MOLDOVA

We purchased and delivered food and other essential items to refugee centers. There are millions of people that are still out of their country because of the war. They need our help. The need is great.

## IN UKRAINE

HIM sponsored two camps for orphans whose parents were killed in the war zone. There are still so many kids who can't leave the country and we praise God for our faithful partners in Ukraine for taking care of those kids in the hot spots. Please continue to pray for them.

I am so thankful for each of you for your prayers and support for Hope International Ministries. We couldn't do it without your faithful support.

May God bless you!  
Paul Minakov
